10 Steps to Glowing Skin

1

Consultation & Skin Analysis

We understand your skin and plan your treatment.

2

Herbal Decoction Cleansing

Herbal decoctions cleanse and prepare your skin.

3

Exfoliation

Gently removes dead cells to reveal fresh skin.

4

Ayurvedic Gel Mesoporation

Herbal serums reach deeper into the skin.

5

Ultrasound Therapy

Improves absorption and circulation.

6

LED Light Therapy

Calms and brightens the complexion.

7

Hydration Infusion

Locks in moisture and restores balance.

8

Herbal Lifting Pack

A custom herbal pack to nourish and tighten.

9

Soothing Massage

Relaxes you and improves natural glow.

10

Final Care & Protection

Moisturiser and sun protection for lasting results.

A holistic facial experience for glowing skin

KEY BENEFITS
